We are called to share God's Good News like a rare and sweet per -

fume, whose frag - rance gives life, but if re -

ject - ed, it be - comes the stench of death.

1. As we share the news of God's love --  
2. Who can tru - ly tell of God's love

with its rare and sweet per - fume -- we spread frag - rance  
and its rare and sweet per - fume? On - ly those who're

where we go leav - ing trac - es where we've been.  
known by its scent and by the life it gives.
